

Powerschool Parent Access

We are now using a new system for accessing your student's grades. The address is, <https://powerschool.monroecentral.org/public/>.

The screenshot shows the PowerSchool Parent Access interface. At the top, the "PowerSchool" logo is displayed in blue. Below the logo, there are two main sections: "Login" and "Create an Account".

The "Login" section contains a "User Name" input field, a "Password" input field, a link for "Having trouble logging in?", and a "Submit" button.

The "Create an Account" section contains a paragraph of text: "Create a parent/guardian account that allows you to view all of your students with one login account. You can also manage your account preferences. [Learn more.](#)" and a "Create Account" button.

At the bottom of the page, the Pearson logo is shown on the left, and the copyright information "Copyright© 2005 - 2010 Pearson Education, Inc., or its affiliate(s). All rights reserved." and the website "www.PearsonSchoolSystems.com" are on the right.

You will need to create an account by pressing the create account button. Fill in the information in the top section for yourself and how you want your account to be setup. You will also need your students Access IDs and Access Passwords.
