  - b. Immediately prior to retirement, the teacher must have completed not less than ten (10) full years of service as a professional educator with the Corporation.

#### B. Buyout Contributions

1. VEBA. The school corporation shall contribute to a voluntary employees' beneficiary association ("VEBA") as described in section 501(c)(9) of the Code, fifty percent (50%) of the amount representing the present value of the Retirement Pay as calculated for all employees under subsection C above. The terms and conditions for the administration and operations of the VEBA shall be as follows:
  - a. The amount calculated for each employee will be invested in a separate account. There will be no commingling of accounts and each employee may determine how his or her account shall be invested among the investment options made available by the vendor for the VEBA.
  - b. Until such time that an employee has retired and satisfied the eligibility requirements set forth in this Article, the employee shall have no access to the assets held in his or her separate VEBA account.
  - c. If an employee retires or otherwise terminates employment before satisfaction of the requirements set forth in this Article, the terminated employee's VEBA account shall be forfeited. Forfeited amounts shall be reallocated at the end of each plan year only among the then remaining separate VEBA accounts. This

reallocation shall be in a manner similar to that used by the Educational Services Company in initially determining the present Value calculations. Therefore, the VEBA accounts of the following employees will not share in the reallocation of a forfeiture of a VEBA account:

- (i) Employees who forfeited their VEBA accounts in the same year;
  - (ii) Employees who previously forfeited their VEBA accounts; and
  - (iii) Employees who have attained the age of fifty-nine (59) and terminated employment in or before the year of the reallocated forfeiture.
- d. Following retirement and the satisfaction of the requirements set forth in this Article, a retired employee may use the amounts held in his/her separate VEBA account to pay health insurance premiums, term life insurance premiums, and to be reimbursed for unreimbursed medical expenses of the employee, spouse, and dependents. Furthermore, following the death of an employee who had otherwise satisfied the requirements of this Article, any amounts remaining in the deceased employee's VEBA account may continue to be used to pay these premiums and expenses of the employee's spouse and dependents. At no time may the VEBA make loans to an employee, his/her spouse, or his/her dependents.

2. 401 (a) Plan The school corporation shall establish a qualified retirement plan as described in section 401(a) of the Code. - c. If an employee retires or otherwise terminates employment before satisfaction of the requirements set forth in this Article, the terminated employee's 401(a) plan account shall be forfeited. The forfeited amounts shall be reallocated at the end of each plan year

only among the then remaining separate 401(a) plan accounts in a manner similar to that used in initially determining the present value calculations. Therefore, the 401(a) plan accounts of the following employees will not share in the reallocation of a forfeiture of a 401(a) plan account:

- (i) Employees who forfeited their 401(a) plan accounts in the same year;
  - (ii) Employees who previously forfeited their 401(a) plan accounts; and
  - (iii) Employees who have attained age fifty-nine (59) and terminated employment in or before the year of the reallocated forfeiture.
- d. Following retirement and the satisfaction of the requirements set forth in this Article, a retired employee may elect to commence distributions from his 401(a) plan account. If an employee dies after having satisfied the requirements of this Article, the deceased employee's 401(a) plan account shall be distributable to the descendant's designated beneficiary or to his/her estate if no beneficiary designation has been made. At no time may a participant borrow from his 401(a) plan account.
- e. The school corporation shall not be paid any compensation for its services performed on behalf of the 401(a) plan. All costs incurred in the administration of the 401(a) plan and investment fees shall be paid from the 401(a) plan assets.

### C. Future Adjustments

1. The parties agree that this Article, or any other provision of this Agreement, does not constitute an expectation of receiving the enumerated retirement benefits by any current employee, future employee, prospective employee or applicant beyond the expiration of this Agreement. Therefore, except as otherwise limited by applicable law, it is understood that the Board and Association may, in the future, bargain modifications of any kind to this provision, provided however, that the future revision of this Article shall not affect the retirement benefits of teachers already receiving benefits pursuant to this Section.

## ARTICLE VIII

### Sick Leave Bank

- A. The Sick Leave Bank is not designed to give unlimited sick leave to all teachers. Its primary purpose is to give a teacher substantial income protection in the event of a medical catastrophe. It is also designed to provide a maximum benefit to teachers who have utilized the regular sick leave days in a professional manner.
- B. A voluntary Sick Leave Bank shall be established whereby a teacher, as defined herein in Article I who is absent from assigned duties due to personal illness and who has utilized all sick leave and personal leave may petition a committee, as established herein, for sick leave days from the bank under the following conditions:

2. Said employee may be granted days from the bank under the following conditions:

However, in the event that the number of accumulated days in the bank at the beginning of a school year is sufficient number that a contribution of one (1) sick leave day by all teachers who are current members of the bank would cause the maximum number of days specified hereinabove in Paragraph One (1) to be exceeded, the current year's contribution by all such current members shall be suspended, except that in case the bank is depleted during the school year, the current year's contribution shall be assessed at the time of such depletion;
  - b. The teacher must have utilized and exhausted all paid leaves applicable to personal illness of whatever nature, including said teacher's own accumulated sick leave and personal leave;
  - c. Written certification will be provided from said teacher's physician substantiating the illness and certifying that the absence will continue during a period of at least twenty (20) consecutive days;
  - d. Written application must be made no later than twelve (12) days after exhaustion of said paid leave benefits;
  - e. The teacher must have been absent for at least (10) consecutive days after exhaustion of said paid leave benefits. Said ten (10) consecutive days of absence must be taken as unpaid leave, and sick leave bank days shall be applied upon the eleventh (11<sup>th</sup>) day of absence. The ten (10) days of unpaid leave shall apply for each separate case of a teacher's qualifying as a medical catastrophe;

- f. The teacher may return to work on a partial schedule with written certification provided by said teacher's physician stating that the teacher is able to work a modified schedule. Partial day withdrawals from the sick leave bank in the event of a modified work schedule shall be taken in half (1/2) day units.
3. A four (4) member Sick Leave Bank committee shall be established to receive written requests and allot days from the bank according to the provisions herein, under guidelines established by the committee. The committee shall be composed of two (2) persons who are represented by the Association and appointed in accordance with IC 20-29-5-7 and two (2) persons appointed by the Board. All committee members shall be certificated personnel in the Greater Randolph Interlocal Cooperative.
4. Days allotted by the committee to an individual teacher shall be available with the eleventh (11<sup>th</sup>) consecutive day of absence after exhaustion of the employee's said leave payments, and such allotment to an individual teacher by the committee shall not exceed a fixed maximum as is established by the committee. The committee shall be limited to an allotment not to exceed ninety (90) days, and to a total allotment not to exceed one hundred eighty (180) days for all teachers in any school year.
5. Sick Leave Bank enrollment records, deduction of sick leave days in accordance with this contract, payment of Sick Leave Bank days per committee allotment, and other necessary record keeping shall be maintained in the Director's office. Records and procedures shall be in compliance with the Indiana State Board of Accounts rules and regulations.
6. Any days granted by the committee to an individual teacher shall terminate effective the earliest date as hereinafter provided:
